Don't forget.....2021 and 2022 are special years for trees!

The Queen's Green Canopy (QGC) is a tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022. Everyone across the UK is being invited to plant trees from October 2021, when the tree planting season begins, through to the end of the Jubilee year in 2022.

The Queen's Green Canopy will create a network of individual trees, avenues and whole woodlands in honour of The Queen's service and the legacy she has built.

The Woodland Trust are offering free trees to schools and communities!

Check their website for more information.

Check out The National Trust's Blossom Together initiative. This is a multi-year national programme and campaign, which aims to embed the blossom season as a time of celebration and reflection. The website has advice and ideas for tree planting as well as ways of engaging your local community with blossom.
