For attention of Liam Timmins

14 May 2026

Dear Liam Timmins,

ZD26/00227/LB - Listed building consent for the conservation of a set of classical stone columns and a set of large C18 iron gates and the rebuilding of a low level boundary wall which has been cracked and displaced outwards by an overgrown tree.

Thank you for consulting the Gardens Trust on this application relating to Temple Grounds, a Grade II Registered Park and Garden. We have liaised with our colleagues in the Yorkshire Gardens Trust and their local knowledge informs this joint response.

Temple Grounds is an area of parkland and pleasure grounds developed in the 18th and 19th centuries which includes earthworks relating to a predecessor late 17th century formal garden. It has a number of listed buildings and structures including the Grade II* listed principal entry gates, the subject of the current application.

We have considered the information that you have provided and are happy to confirm our support of the proposed conservation work.

If you have any further queries, please contact us at this email address, and we would be grateful to be advised of the outcome of the application in due course.

Yours sincerely,

Liz Fuller
