For attention of Sarah Edson

24 April 2026

Dear Sarah Edson,

Ref: 26/00593/FUL Installation of enhanced car park infrastructure to include installation of car parking meters, signage, and ANPR camera column, including data cable, and removal of existing parking terminals

Thank you for consulting the Gardens Trust on this application relating to Nostell Priory, a Grade II* Registered Park and Garden. We have liaised with our colleagues in the Yorkshire Gardens Trust and their local knowledge informs this joint response.

We have considered the information that you have provided and, on the basis of this, do not wish to comment on the proposals at this stage. We appreciate the thorough and informative nature of the Heritage Statement and support the recommendation (see para 4.3.2.1 and 4.4.2) for archaeological monitoring and recording.

We would however emphasise that this does not in any way signify either our approval or disapproval of the proposals.

However, if you have any further queries, please contact us at this email address, and we would be grateful to be advised of the outcome of the application in due course.

Yours sincerely,

Liz Fuller
