Dear Sir/Madam

8th April 2024

ZC24/00851/LB Listed Building Consent for removal of 3 no. antennas and installation of 6 no. new antennas, 15 no. ERS units on existing support poles with additional steelwork to brace. Installation of 2 no. new transmission dishes on existing support poles and existing equipment cabinet to be upgraded. Harlow Hill Tower, Nursery Lane, Harrogate HG2 0AZ Valley Gardens, Harrogate

Thank you for consulting The Gardens Trust (GT) in its role as Statutory Consultee with regard to any proposed development affecting a site listed by Historic England (HE) on their Register of Parks and Gardens. The Yorkshire Gardens Trust (YGT) is a member organisation of the GT and works in partnership with it in respect of the protection and conservation of registered sites and is authorised by the GT to respond on GT's behalf in respect of such consultations.

The Water Tower at Harlow Hill is south/south-west of Harrogate's Valley Gardens, Registered at Grade II, and east of RHS Harlow Carr. The Water Tower has had numerous antenna for many years and we do not consider that the proposals will have any impact.

We have no concerns over the historic vista from Valley Gardens or RHS Harlow Carr and the Gardens Trust and Yorkshire Gardens Trust have no objections.

Yours sincerely,

Val Hepworth
Trustee Conservation and Planning
